¹Certain services require precertification from Health Net. Without precertification, the benefit is reduced by 50%.

²Preventive care services: This plan provides all coverage as required under the ACA, including evidence-based screening and counseling, routine immunizations, childhood preventive services, and preventive services for women, at no cost to members with an in-network provider. This coverage includes services such as preventive office visits, preventive lab and X-ray, Pap test and mammogram, prostate screening, immunizations, and colorectal cancer screening. You can find all the details on the government's website at www.healthcare.gov. Women's preventive services include screening for gestational diabetes; human papillomavirus (HPV) DNA testing for women 30 years and older; sexually-transmitted infection counseling; and human immunodeficiency virus (HIV) screening and counseling. These services also include FDA-approved contraception methods and sterilization procedures, and contraceptive counseling for women with reproductive capacity; breastfeeding support, supplies and counseling; and interpersonal and domestic violence screening and counseling.

³Some facilities are affiliated with a hospital. You may be charged a higher copayment or coinsurance for services at a hospital-affiliated facility. Contact the place of service for more information or the Customer Contact Center at the number on the back of your ID card.

⁴In accordance with the Affordable Care Act, American Indians and Alaskan Natives, as determined eligible by the Exchange and regardless of income, have no cost-sharing obligation under this Policy for items or services that are Essential Health Benefits if the items or services are provided by a provider of the Indian Health Service (IHS), an Indian Tribe, Tribal Organization, or Urban Indian Organization, or through referral under contract health services, as defined by federal law. Cost-sharing means copayments, including coinsurance and deductibles.

⁵The three prescription drug tiers are Tier 1: Generic formulary; Tier 2: Brand formulary; Tier 3: Brand non-formulary. The Essential Rx Drug List is a list of prescription drugs that are covered by this plan. Some drugs require precertification from Health Net. For a copy of the Essential Rx Drug List, go to Ambetter from Health Net's website. Refer to your *Schedule of Benefits* and coverage documents for complete information on prescription drugs. Plans will cover most female prescription contraceptives at \$0 cost-share. Coverage on some drugs may not follow the generic and brand tier system. Please refer to your plan documents and Health Net's Essential Rx Drug List for coverage, cost-share and tier information. Prescription drugs can be filled through mail order (up to a 90-day supply).
